

Magic Pencil

Today I was walking into keyboarding and I picked up a pencil and I said, "I'm going to name you Alyssa". Alyssa said, "What is your name"? I said, "My name is Hope". I said, "Do you want to come over tomorrow?" Alyssa said, "I will ask my mom and dad tonight." I said, "I will ask my mom and dad tonight too." Alyssa said, "See you tomorrow at school." Ok I said back. Alyssa said, "Bring your lunch tomorrow." Ok I said.

The next week at school I brought my pencil to the classroom and I went to the bathroom and I came back and my pencil was gone. So I raised my hand and told the teacher that my pencil was sitting on my desk and I came back and it was gone. And the teacher told me to go look for it. So I went looking for it then I went to Mrs. Carlton's room and I told her that I lost my pencil so I went to look for it. Then she came with me to find my pencil so I found it in my locker but I told her that Alyssa was on my desk and Mrs. Carlton told me who is Alyssa and I told Mrs. Carlton I named my pencil Alyssa because she can talk. Mrs. Carlton told me that she can talk. And I told her that my pencil talks. Mrs. Carlton's face was like really are you kidding me Hopie. The next day I told her

that she can come over tonight. Alyssa told me that she could too.

It was Friday night and my mom and dad told me that she could stay the night tonight if it was ok with her mom and dad. So we called her mom and asked if Alyssa's mom told me that she can stay the night. So we went to my bedroom and we made friendship bracelets. We stayed up until 3:00 o'clock it was fun. We didn't wake up until 10:00 o'clock.
